SAYING GOODBYE TO HEADWAYS, FINAL ISSUE A NEW ERA OF RIDER INFORMATION

Real time tools and streamlined route brochures will carry forward the spirit of Headways—clear, reliable information for every rider.

Santa Cruz METRO has proudly published *Headways*, our quarterly bus riders guide, with each schedule change for decades. Over the years, *Headways* became more than a booklet—it became a trusted companion for riders, a place where route details lived alongside stories celebrating METRO’s dedicated staff and features showcasing the initiatives that shaped our agency’s growth. It holds a special place in our history, and we honor the many chapters it has helped us tell.

As METRO continues to evolve, new technology now allows us to share information with our community more efficiently and in real time. **With this progress in mind, the Spring 2026 issue will be the final edition of Headways.**

Riders can continue to find up to the minute route and schedule updates through METRO’s preferred provider, the Transit app, offering reliable information right at your fingertips. Schedules, employee spotlights, and METRO programs will also remain available on METRO’s website.

For riders who prefer printed materials, METRO will introduce new individual route brochures beginning Summer 2026. These guides provide clear, route specific details and schedules, making it easy to access the information you need without relying on digital tools. They also help reduce paper use by replacing the larger, more resource intensive Headways booklet, supporting METRO’s environmental stewardship goals.

We are excited about this transition and confident that these new tools—both digital and printed—will offer riders even more accessible, reliable, and timely information. Thank you for being part of the METRO community—we look forward to keeping you connected wherever your journey takes you.

INSIDE METRO: THE PEOPLE BEHIND THE TRANSIT

Meet Jason LoGiudice: A Lead Mechanic Keeping METRO Moving for 25 Years

For nearly 25 years, Jason LoGiudice has been one of the steady hands behind Santa Cruz METRO's fleet—someone who knows every bolt, every engine, and every era of bus technology that has rolled through the district. As a second generation METRO mechanic, Jason grew up around the shop, shadowing his dad, listening to stories about the work, and learning the craft long before he ever clocked in. Today, he carries that legacy forward as a Lead Mechanic, guiding his team, solving complex mechanical puzzles, and helping ensure that every bus on the road is safe, reliable, and ready to serve the community.

Tell us a little about yourself, Jason

Hello. My name is Jason LoGiudice, I am a Lead Mechanic at Santa Cruz METRO and I've been working at METRO for almost 25 years.

What first sparked your interest in becoming a mechanic?

I've always been tinkering since a young age. I'm a second generation METRO employee—my dad was a mechanic here for 30 years. I grew up shadowing him while he worked on vehicles and equipment at home, and I loved hearing his stories about METRO. That's really where it all started.

How have you seen the technology and fleet transform over your time here?

It's been a drastic transformation. When I first started, our oldest series of buses were 1981 Gillig Phantoms. Now in 2026, our current oldest series is our 1998 New Flyer Low Floors, with three only left remaining in the fleet and our newest series are 2024 New Flyer Excelsiors.

Also 25-years ago when I first started we had two stroke diesel engines—the cream of the crop in 2000. In 2002, METRO introduced CNG (Compressed Natural Gas). We went from a tiny fuel station that could only fuel eight buses to a permanent station that can fill close to 100. Since then, we've moved from diesel to diesel-hybrids, all electric buses, and now hydrogen. Our fleet ranges from 1990s buses to 2024 models.

Were there any training certifications you needed for this role?

When I got hired, I only had general mechanical knowledge from the auto industry. METRO still hires mechanics with that same background. You don't need heavy duty bus experience—you can come from automotive school, a dealership, or past mechanic work. We'll train you.

What do you enjoy most about being a mechanic?

Figuring out how things work—what part failed and why. I enjoy working with my hands.

What do you enjoy doing outside of work?

I love spending time with my two sons, who are 12 and 14, along with going on adventures with my partner Heather. I also enjoy traveling with my dad to his Army regiment reunions to learn about his time in the service. I also like BMX riding, visiting Pismo Beach, riding ATVs, hanging out with friends, and working on remote control cars and trucks. I love the sunny Central Coast.

How does it feel seeing buses you worked on out in the community?

It makes me proud. Seeing them operating shows that the equipment I worked on is serving the community.

"Jason is one of those rare team members whose dedication is felt in every corner of METRO. His deep knowledge, steady leadership, and commitment to safety keep our fleet running reliably for the community we serve. Whether he's guiding newer mechanics, troubleshooting complex issues, or stepping in wherever he's needed, Jason brings professionalism, patience, and pride to the job every single day. His work may happen behind the scenes, but its impact is seen on every bus that rolls out to serve Santa Cruz County."

PROTECTING OUR MONTEREY BAY, ONE RIDE AT A TIME

One Ride at a Time is a campaign that gives everyone in Santa Cruz County an opportunity to protect our extraordinary natural resources just by simply riding the bus.

Our home, the Monterey Bay region, is the hottest hotspot for biodiversity in North America according to a study conducted by The Nature Conservancy. Its dynamic confluence of land and sea creates unique ecosystems and supports iconic wildlife from secretive mountain lions to majestic blue whales.

Since January 2023, every ride on a METRO bus donates to our partners in protecting the environment. All you have to do is log 25 rides on GO Santa Cruz County and a \$10 donation will be made to the Monterey Bay National Marine Sanctuary Foundation or the Bay of Life Fund as part of GO Santa Cruz's ridesharing incentive program run by the Santa Cruz County Regional Transportation Commission (SCCRTC).

Ride METRO today to protect our Monterey Bay, one ride at a time!

Why METRO Is Leading this Campaign

METRO'S mission is to provide environmentally sustainable transportation to Santa Cruz County. Every ride on a METRO bus takes cars off the road and significantly reduces greenhouse gas emissions.

One Ride at a Time is an opportunity to not only educate the public about the benefits of public transit and the unique natural resources of the Monterey Bay but inspire people to take action.

Join Our Conservation Club to Donate

Become a Conservation Club member and log your rides at GO Santa Cruz County, and you can donate \$10 per 25 bus rides to our environmental partners. Plus, you'll get exclusive access to events, speakers, promo items and more.

Log Your Rides on Desktop

1. Create an account at scmetro.org/gosantacruz, the online ridesharing portal administered by GO Santa Cruz County.
2. Once you have an account, use the portal to log your bus trips. You'll earn 10 points for each trip with a maximum of two rides per day that count towards your

point accruals.

3. When you reach 250 points, or 25 rides, use the portal to select one of our nonprofit partners to receive a \$10 donation.
4. You can also see the greenhouse gas emissions reductions you've made by riding public transit and compete against other riders to see who can make the biggest impact.

Log Your Rides on Mobile

1. Download the Commute Tracker app from the App Store or the Google Play store.
2. Setup your account and select CRUZ511.org.
3. Follow the prompts to allow Commute Tracker to automatically log your trips by turning on location tracking.
4. When you reach 250 points, or 25 rides, you can select a nonprofit partner to receive a \$10 donation.

Our Campaign Partners

One Ride at a Time is made possible by a partnership between METRO, Santa Cruz County Regional Transportation Commission (SCCRTC), the Monterey Bay National Marine Sanctuary Foundation, Bay of Life Fund, and renowned photographer-writer team Frans Lanting and Chris Eckstrom.
